The Rochelle Alma Mata

Oh, we love the halls of Rochelle that surround us here today,
And we will not forget tho' we be far, far away.

To the hallowed halls of Rochelle every voice will bid farewell, and shimmer off in twilight
Like the old vesper bell. One day a hush will fall, the footsteps of us all will echo down
the halls and disappear, But as we sadly start our journeys far apart,
a part of every heart will linger here. In the sacred halls of Rochelle where
we've lived and learned to know that through the years we'll see you
in the sweet after glow.

As you celebrate your Silver Anniversary, we look forward to what the future holds for the Association. My brothers and I are products of the Rochelle School System. Thanks to the educational system and the village in which we were reared, we became respectful and normal adults. Take us back to the time when everyone cared, respected and made you accountable for your actions without the use of opportunity centers or other juvenile systems. The days of B. C. Daniels, N. L. Adderley, L. C. Brown, and S. N. Lewis to name a few who stayed on our cases. Our parents kept up with our actions in and out of school.

May this Scholarship Banquet turn out to be the most successful of your twenty-five years.

Congratulations to all of the Associations Members for your untiring dedication.
