***The Rochelle Legacy:  
Honoring Yesterday, Celebrating Today, Embracing Tomorrow***

Greetings Rochelle Alum!

The Board of Directors and members of the Washington Park/Rochelle High School Alumni Association, Inc. are excited to announce that after a half century, we are planning an **All-Year School Reunion!** What a great opportunity this will be for us to reconnect and walk the hallowed halls of WP/Rochelle and reminisce about the good old days.

**The reunion will be held Thursday, May 30 through Sunday, June 2, 2024.** The itinerary for each day is included in this packet. It will get here before we know it, so that's why we're reaching out for your help to make this the epic event we all know it can be.

**The time is NOW to secure your sponsorship, contact your classmates,  
and make your reservations.**

As a Class Leader and Sponsor, you will not only ensure that the actual Reunion events are epic, but you will also provide financial support to our college-bound 2024 Scholarship Awardees. The attached information sheet provides the cost and benefits of each of the preferred sponsorship levels. Other important information about the reunion is also included to assist you in getting the word out to your class.

We hope you will join us in this great opportunity to wave the banner of the school that not only holds our memories, but holds our hearts as well.

Feel free to contact me at 863-640-5494 or Terry Coney at 919-949-7638 should you have any questions.

Looking forward to hearing from you!

*Beverly Brooks Boatwright*  
President, Washington Park/Rochelle High School Alumni Association

**PS: As you contact classmates, please let them know we want them to provide us with a current headshot for the Memory Book, *whether they are able to attend or not.* They can go to the Alumni Association website ([www.wp-rochellealumni.com](http://www.wp-rochellealumni.com)) and find a link to upload their photo under the 2024 School Reunion tab. Thank you!**
